Affirmation of Faith

Written by Milford United Methodist Church
August 2016 Confirmation Class
Edited by Pastor Lyle Schoen

I believe God is the almighty one, the creator of heaven and earth, who is watching over us every day, and will always love us no matter what. God is powerful, and will forgive all our sins, and will always protect us from evil. God listens to my prayers and will live eternally in our hearts and in heaven.

I believe in Jesus Christ, who came to earth as a baby, was born of the virgin Mary, was sent by God to be a leader and to teach us God's word, and is both human and divine. He was crucified and died on the cross for our sins to be our savior, and rose on the third day. He performed many miracles, like walking on water, raising from the dead, and healing people, and listens to our prayers. He is holy, ascended to heaven, and will live eternally with his Father, God.

I believe in the Holy Spirit, who is the spirit of God that is everywhere and is always with you. The Holy Spirit guides us in our every move, helps us make better choices, protects us to keep us safe, and is always in our hearts. The Holy Spirit takes hold of our hand and stands beside us every second of the day, and is with us when we pray. God, Jesus Christ, and the Holy Spirit are different forms of God.
